Re: *United States v. Joseph Sapia*, 99 Cr. 1193 (DLC)

Dear Judge Cote:

On March 2, 2023, the parties submitted a joint letter requesting that the Court dismiss the defendant's violation of supervised release specification when he completed his inpatient drug treatment program on March 21, 2023, and the Court granted that application the same day. Dkt. 411. The Government has communicated with Probation Officer Amber Wilton, who informed the Government on April 24, 2023 that the defendant successfully completed inpatient care and transitioned to outpatient services. Accordingly, the Government respectfully requests that the specification be dismissed.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
